Brand essence

CerosL1 is an accounting system, so the brand has one job: make numbers feel trustworthy. The visual direction - The Executive Modernist - pairs a calm, authoritative dark slate with a precise emerald accent. It should read like a well-run finance office: quiet, ordered, and confident, never flashy.

NAME

CerosL1 Ledger

Write "CerosL1" with a capital C and L, no space, numeral 1. Short form in UI: CerosL1.

PROMISE

Automated Accounting. Trusted Control.

Every posting balanced, every action traceable.

DIRECTION

The Executive Modernist

Deep Slate authority, Platinum Ice clarity, Emerald precision.

PERSONALITY

- **Assured**
  States facts plainly. No exclamation marks, no hype.
- **Precise**
  Aligned numbers, exact labels, consistent decimals.
- **Calm**
  Generous white space and a restrained palette.
- **Helpful**
  Error messages say what happened and what to do next.

Logo & app icon

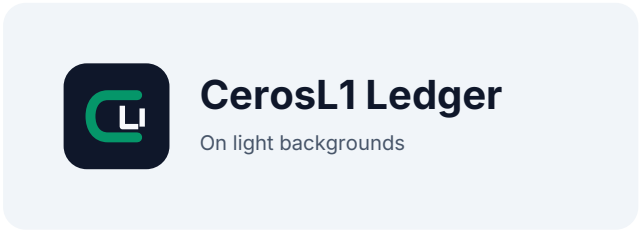

The mark is a monogram: an emerald "C" cradling an "L" and a "1", set on a Deep Slate rounded square. It is the app icon, favicon and the anchor of every header.

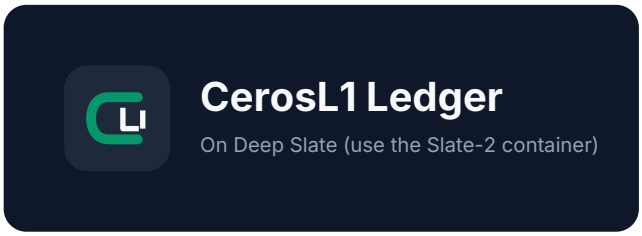

CONSTRUCTION

Container	Rounded square, corner radius 22% of width, Deep Slate #0F172A
Curve	Emerald #059669 stroke, 9.4% of width, round caps
Letters	Platinum Ice #F8FAFC strokes, 5% of width
Clear space	Keep 25% of the icon width free on every side
Minimum size	16 px on screen (favicon), 7 mm in print

LOCKUPS

PROPORTION

Accessibility rule

Emerald #059669 passes AA only at 18 px+ or 14 px bold. For small emerald text and links use Emerald strong #047857 (5.48 : 1).

Interface & status colors

Supporting neutrals come from the slate family so every grey feels related. Status colors are used only to communicate state - paid, overdue, voided - and always alongside a text label.

Numbers & components

NUMERALS - ALWAYS TABULAR

Financial figures use tabular (fixed-width) numerals, right-aligned, two decimals, thousands separators. Set font-variant-numeric: tabular-nums on the page body so columns line up digit for digit.

APPLICATION - PDF DOCUMENTS (INVOICES, REPORTS, SOPS)

Header band

Deep Slate, full width. Company name in Platinum Ice bold; document title in Emerald bright (#10B981).

Tables

Slate header row with Platinum Ice text, zebra rows in #F1F5F9, numbers right-aligned.

Totals

Bold, with a heavier rule above. Currency written as code (PHP) because standard PDF fonts lack the peso sign.

Footer

Generated date and "Page X of Y" in Muted, 8 pt, centred.

Paper

A4 portrait (landscape for wide aged reports), 40 pt margins.

Golden rule

Emerald means "act" or "all good". If everything is emerald, nothing is. Keep it to about 10% of any screen or page.
